Industrial

Hardware

Our Pejo Lifting Hooks are certified to transform your excavator and loader bucket into a lifting device.

Fluids

Environmentally safe oils are becoming more important in the industry as we all work together for a cleaner, safer planet. ES oils are made from vegetable sources so they are 100% environmentally safe. These oils have proven to be as good or better than petroleum based oils.

Tanner de-icing systems keep your equipment moving throughout the winter.

Our Suppliers:

The Business:

As a valued distributor for a wide range of industry leading and recognized manufacturers we focus on adding value with every Creighton Rock Drill experience. We offer a long-term partnership with excellent sales, service and parts to meet the needs of your business.

Founded:

Creighton Rock Drill Ltd. was founded in April 1966 by D.J. (Jim) Creighton and wife Evelyn. Out of the family home they managed to work the business into a going concern while raising a family of seven.

As the company grew their children helped out in any way they could by answering the phone, taking orders and shipping products. Having grown up with the company most of the Creighton's are now running the business and to this day continue to work together making Creighton Rock Drill Ltd. a valued supplier within the industry.

Direction:

We have the same focus today as we did when the company first started. We look for dependable valued partnerships with industry-leading manufacturers that allow us the ability to meet and exceed the needs of our customers by supplying high quality products. Over the years we have found that in long-term partnerships with manufacturers, distributors and customers we all succeed.

SALES SERVICE & RENTALS

Offering you a wide range of high performance products, dependable service and 50 years of proven experience.

MORE THAN JUST SALES!

At Creighton Rock Drill, we have a growing reliable service and rental division. We service all makes of hydraulic breakers and pneumatic tools as well as drilling equipment. We have all sizes of breakers and a wide assortment of pneumatic tools all ready for rent.
